Except where a Transaction is terminated and closed out under this Agreement, the Client is responsible for deciding whether or not to deal at those prices or rates.

7.3 Offer and acceptance

(d) Confirmation prevails

If there is any inconsistency between a Confirmation and a provision of this Agreement, the Confirmation prevails.

7.4 Transaction outside trading limits

(a) When offer to deal may not be accepted

If the Client makes an offer to LatitudeFX to deal in relation to a Transaction:

(a) Notice of error

- (i) If the Client wishes to assert that a Transaction has been entered into (whether or not confirmed by LatitudeFX) at a price or rate which was, or ought reasonably to have been, known to either party to be materially incorrect at the time of the Transaction, the Client is to give notice to LatitudeFX within one hour after the Transaction or purported Transaction was entered into.
- (ii) If LatitudeFX wishes to assert that a Transaction has been entered into (whether or not confirmed by LatitudeFX) at a price or rate which was, or ought reasonably to have been, known to either party to be materially incorrect at the time of the Transaction, LatitudeFX is to give notice to the Client:
 - (A) in relation to a Spot FX Transaction, within one Business Day after the Transaction or purported Transaction was entered into; or
 - (B) in relation to any other type of Transaction, within three Business Days after the Transaction or purported Transaction was entered into.

- (ii) that Transaction is deemed to have been void from the outset;
- (iii) LatitudeFX will endeavour to execute a Transaction (in same quantity and currencies) between LatitudeFX and Client on or close to the prevailing market prices but subject to the LatitudeFX Spread and any per trade or per lot commission and/or fees charged by LatitudeFX;

- (v) LatitudeFX is not liable for any resulting errors in the balance(s) published for the Client's Account and reserves the right to make necessary corrections or adjustments to the Account involved; and
- (vi) any dispute arising from such quoting errors will be resolved on the basis of the fair market value, as determined by LatitudeFX acting in a commercially reasonable manner, of the relevant Currency at the time such an error occurred. In cases where the prevailing market rates plus the LatitudeFX Spread represent prices different from the rates LatitudeFX has quoted, LatitudeFX will make a commercially reasonable effort to contact the Client (including verbal notification to the extent possible) and will endeavour to execute trades on or close to the prevailing market prices, subject to the LatitudeFX Spread.

7.6 Transaction outside LatitudeFX Spread

(a) **LatitudeFX not bound in certain circumstances**

- (i) fails to show changes in the LatitudeFX Spread that have occurred since the Client first made the relevant offer to deal; or
- (ii) in any other way results in a Transaction being based on an abnormal price in relation to the then-current market or trading conditions,

- (iii) is not bound by that Transaction; and
- (iv) may avoid that Transaction by giving notice of avoidance under paragraph (b).

12.2 Public holidays

LatitudeFX is under no obligation to quote prices or rates, or to accept instructions (whether oral, written or electronic) in relation to any Transaction on a public holiday in any jurisdiction

(c) **Free and clear**

Unless otherwise agreed to by LatitudeFX, each payment under this Agreement or any Transaction is to be paid free and clear of, and without withholding or deduction for or on account of, any Taxes, unless the withholding or deduction is required by law.

14.2 Gross-up

If:

the Client is required by law to make any deduction or withholding (excluding New Zealand resident withholding tax) for or on account of Tax from any amount paid or payable by it under this Agreement; or

(b) **LatitudeFX required to make payment**

LatitudeFX is required by law to make any payment on account of Tax (other than Tax on its overall net income) on or in relation to any amount received or receivable by it under this Agreement,

the amount in respect of which that deduction, withholding or payment is required to be made is to be increased so that LatitudeFX actually receives and retains (free from any liability in respect of any deduction, withholding or payment) a net amount equal to the amount that it would have received and retained had no deduction, withholding or payment been required to be made.

14.3 Payment netting

LatitudeFX may, in its absolute discretion, determine and advise the Client that:

(b) **Different amounts in same currency**

if, on any date, the aggregate amount payable by one party exceeds the aggregate amount that is payable by the other party in the same currency, then, on that date, the amounts payable by each party to the other party are to be paid or satisfied by payment of the net amount of those obligations by the party having a net debit to the party having a net credit.

14.4 Authority to apply amounts due from Client

LatitudeFX is not liable to the Client for any failure or delay in giving this notice.

17.3 Effect of Force Majeure

If Force Majeure arises, and regardless of whether or not LatitudeFX has given the notice referred to in clause 17.2(a), LatitudeFX may take whatever steps in relation to this Agreement or any Transaction that, in its opinion, are necessary or desirable, including:

(f) **Breach of Applicable Law**

the Client is in breach of any Applicable Law; or

(g) **Conduct of Client**

the conduct of the Client is such that, in the opinion of LatitudeFX, it would cause a reasonably prudent financial person dealing in transactions (such as Margin FX Transactions or other Transactions as may be provided for under this Agreement) to be of the view that the Client could be unable to perform and comply with any of the Client's obligations under this Agreement or any Transaction, including strict compliance with any time limit; or

terminate those Transactions immediately in accordance with clause 20.2.

19.3 **Dealing in futures contracts**

If:

(a) **Cease or limit dealing**

LatitudeFX is requested or required by any Public Authority to cease or limit carrying on business of dealing in one or more types of Transactions; or

(b) **Rescission, etc., of consent**

any consent, licence or authority that LatitudeFX has obtained from a Public Authority is rescinded, modified or varied in any material respect,

then LatitudeFX may give a Termination Notice to the Client designating a Termination Date for the termination of all (or some only) Transactions which is not later than the second Business Day after the date of that Termination Notice.

19.4 **Illegality**

If at any time it is unlawful or contrary to any present or future requirement (whether or not having the force of law) of any Public Authority or of Applicable Law for:

(a) **Perform obligations**

an Event of Default occurs pursuant to clauses 18.1(b), (c) or (d); or

(b) **Abnormal Market Conditions**

Abnormal Market Conditions exist,

some or all Transactions in existence between them will (in the case of paragraph (a)) and may (in the case of paragraph (b)) immediately become Terminated Transactions and that:

(c) **Termination Date**

the Termination Date is the date of the occurrence of such Event of Default or that such Abnormal Market Conditions first occur;

(d) **No obligation to provide Termination Notice**

the nature of immediate termination is such that LatitudeFX will not be able to give a Termination Notice to the Client prior to the termination taking effect; and

(e) **Subsequent notice**

LatitudeFX may, but is not obliged to, give a Termination Notice to the Client after such Transactions have been terminated, whether by way of electronic mail, text messaging, a message displayed on the Trading Platform or such other notice procedures as are set out in this Agreement.

20.3 Calculation of netted balance on termination

The netted balance payable in respect of a Termination Date and the relevant Terminated Transactions is to be determined by LatitudeFX as follows:

(a) **LatitudeFX calculates netted balance**

LatitudeFX is to take an account of all money due between the parties in respect of the Terminated Transactions by calculating an amount equal to:

all obligations in respect of that netted balance are to be satisfied by payment of the net amount due from or on behalf of the party having a net debit to or on behalf of the party having a net credit.

any other Termination Date, on the day which is two Business Days after the day on which notice given in accordance with clause 20.4 is effective.

20.6 Pre-estimate

(a) Not a penalty

The parties agree that any Settlement Amount determined by reference to the Close Out Formula is a reasonable pre-estimate of loss and not a penalty.

(b) Loss of bargain, etc.

The parties agree that:

- (i) any Settlement Amount includes full and final payment in respect of the loss of bargain and the loss of protection against future risks; and
- (ii) except as otherwise provided in this Agreement, neither party is entitled to recover any additional damages as a consequence of those losses.

20.7 Set-off

Notwithstanding any other provision of this agreement and without limiting any right of set-off, off-set, combination of accounts, right of retention or withholding or similar right that either party may have at law or in equity, the Client agrees that LatitudeFX may debit and set off at current value any moneys due and payable by the Client to LatitudeFX under this Agreement or any Transaction or otherwise against any currency deposits or other moneys held by LatitudeFX or payable by the Client.

(a) Breach of representation

any breach of representation or warranty made by the Client and/or its Authorised Persons under or in connection with this Agreement or any Transaction; or

If the laws of any relevant jurisdiction prevent any Representative or Associate of LatitudeFX being able to enforce directly the provisions of clause 21.1 then the rights and benefits of the indemnities granted pursuant to clause 21.1 for the Representatives and Associates of LatitudeFX will be held upon trust by LatitudeFX for the Representatives and Associates and may be enforced by LatitudeFX as trustee for those beneficiaries.

(d) Time for forwarding moneys

- (i) LatitudeFX is not obliged to allow the Client time to forward further funds to meet its Part Payment Requirements before exercising its right to terminate and close out Tenor FX Transactions under this Agreement.
- (ii) However, LatitudeFX may in its absolute discretion allow the Client time to forward funds to meet its Part Payment Requirements, in which event that permission is only effective once it is confirmed in writing by LatitudeFX, and then only to the extent specified in the written notice given by LatitudeFX.

7.4 Failure to meet Part Payment Requirements and Events of Default

(a) Failure to meet Part Payment Requirements

- (i) The Client understands that, if at any time during any day, the Client fails to meet the Part Payment Requirements in respect of a Tenor FX Transaction:
 - (A) that failure constitutes an Event of Default by the Client for the purpose of clause 18.1;
 - (B) LatitudeFX may, in its absolute discretion, close out some or all outstanding Transactions (including any Transactions between the parties but which are not Tenor FX Transactions); and
 - (C) where a Trading Platform is available for the purpose of Tenor FX Transactions, that Trading Platform may automatically terminate and close out all outstanding Tenor FX Transactions.
- (ii) Where LatitudeFX closes out a Transaction or Transactions in accordance with sub-paragraph (B) or (C), the Client acknowledges and agrees that that termination may be immediate or may be upon notice to the Client.

(b) Events of Default

The Client acknowledges and agrees that, if an Event of Default occurs:

- (i) LatitudeFX may use Payments made by way of Part Payment in part or total satisfaction of any amount otherwise payable by the Client to LatitudeFX and that that use is not limited to satisfaction of the Tenor FX Transaction in respect of which the Part Payment was made; and
- (ii) where a Part Payment is used in accordance with sub-paragraph (i), that Part Payment will not be available to satisfy the Part Payment Requirement in respect of which the Part Payment was received.

(c) Greying out

Where a Trading Platform is available for Tenor FX Transactions, the Client acknowledges and agrees that the Trading Platform may “grey out” certain Tenor FX Transactions and, by doing so, indicate it does not permit the Client to enter into that Tenor FX Transaction.

7.5 Settlement of Transaction where Part Payment has been received

(a) Full amount due

- (i) Each Payment is to be paid in full on the Value Date unless LatitudeFX has agreed in writing on a case by case basis that the Client may set off the amount of any Part Payment against a Payment to be made by the Client.
- (ii) Accordingly, the Client may only set off the amount of that Part Payment as agreed and/or directed by LatitudeFX.

(b) Return of Part Payment

Where the Client is required to make Payment in full in accordance with paragraph 7.5(a), LatitudeFX will return to the Client's Bank Account the Client's Part Payment in the Client Base Currency in respect of the relevant Tenor FX Transaction.
